

CLASS OF

Together we have shared so much
We have experienced so many things together
We have learned from one another.
High school years - the best years of our lives.
Friends - the best friends.
How could this part of our lives be over?
How can we live without our high school friends?
Our forever friends. We know it is something we have to do -
Do what is right for each of us as an individual.
But no matter where we go - whether we are together or apart
We will always be together in each of our hearts. FOREVER.
